Topic to discuss & Question of the week

What is the purpose of the entire world and the creation of everything (people, things and even Malachim?)

דירה בתחתונים

GOAL:

Instill a sense of purpose in the children. They should view themselves as soldiers with a mission- to bring Moshiach. Nothing and no one can get into the way of their success.

בס"ד V'zeh

What makes an army powerful?
Their Commander in Chief.

Tzivos Hashem is the most powerful army- because Hashem Himself is our Commander in Chief- and He entrusted us with the powerful mission of making a Dirah Btachtanim- which means, making this world a home for Hashem, a place where Hashem feels comfortable.

What do you need in your home to feel comfortable? Ex: couch, slippers, a book
What do you think Hashem "needs" in order to feel comfortable? That's right-
Torah and Mitzvos.

Hashem created everything in this world (and even the higher worlds with the Malachim and Neshamos!) for us to learn Torah and do Mitzvos. Wow! That gives me a mission, a purpose.

Even when I'm playing, or eating, or sleeping- it's all in order for me to make a home for Hashem!

This is the purpose of everything- but not everyone knows their purpose. As soldiers in Tzivos Hashem, we're so lucky to know our purpose and share it with the world! Through lighting up the world we bring geulah- the time when everyone will see and feel their true purpose!

My room becomes a home for Hashem when I make it a Mikdash Me'at (Chumash, Siddur, Pushka, Haggadah, seforim).

How can I make my home a Mikdash Me'at? My block? My friends? The entire world?

Takeaway:

I am powerful. I have a purpose. My Mitzvah can bring Moshiach!

Mission:

I'm making a Dirah for Hashem by doing a Mitzvah!

What a beautiful Bracha! _____ is making Hashem feel comfortable in this world	My Mitzvah can tip the scale and bring Moshiach!
I have a special mission, and nothing can get in the way of that!	"Look at these soldiers fulfilling their mission, giving their Commander in Chief so much nachas!"
Even eating, playing and sleeping is part of my mission as a soldier of Hashem. I make the right choices in these areas because I'm doing it for Hashem!	I'm not a small kid, I'm a proud, powerful, handpicked soldier of Hashem!
